HOW YOU CAN GET INVOLVED WITH ALL THAT IS HAPPENING AT RED POINT CHURCH.

We would love you to get involved with what is happening in the life of RED POINT and to use your time and talents to serve the Church, advance God's Kingdom and help you to mature in your Faith.

Firstly, join us on a Sunday and get involved in a Life Group. Your next step would be to check out this directory. We've compiled a list of important ministries in the Church you can get involved in.

For any further queries, you can contact the ministry leader, visit the information desk on a Sunday or sign up online

Little Lights

Our vision is to see children from our community coming into our school to receive quality education, for their lights to be turned on for Jesus, and for them to go back into their homes and see their families lights turned on for Jesus too. Matthew 5v16 says: "Let your light shine before men; that they may see your good works, and glorify your Father who is in heaven." Our goal is to facilitate your children to let their unique, individual light shine!

RED POINT Children's Ministry

Here at RED POINT we place a high value on every individual; man, women AND child. We believe that we are called to evangelise and make disciples of every nation and therefore our children's ministry is Gospel Centred and Christ focussed. It is our intention to create a space in which every child has the opportunity to encounter Jesus in a fun filled, age appropriate manner. To facilitate this our children's ministry is divided into four age groups: "Tot zone" for the 18-36month toddlers, "Grow zone" 4 year old - grade 1, "Power zone" grade 2 -4, "Go zone" grade 5-7.

MASAKHISANE - Building together

Through a network of Life Groups and with a heart for the women in Tshelimnyama, we have partnered with ladies to take Jesus into the homes of Tshelimnyama. Through skill sharing, developing entrepreneurs, outreach to orphans and widows we build towards wholeness and a relationship of love with Jesus and each other.

MASAKHISANE Clothing Project

Good clothing including shoes, bags, linen and food is packed once a month for the women involved in the Masakhisane initiative. The women purchase two bags of donated clothing for R30, enabling them to sell their clothing to provide an income or to clothe their families. They enjoy tea together and the Gospel is preached.

COCA

As RED POINT Church's non profit organisation, COCA's vision is simply to 'Create Opportunities for Community Advancement'. We hope to see our beneficiaries empowered to positively impact their families and communities whilst acknowledging their own worth and value. We intend to do this by focusing on education, entrepreneurship and skills development. Remember, COCA is a Section 21 non-profit organisation which is BBBEE compliant - this means we can issue 18a Tax Certificates for businesses and individuals who contribute to the work COCA is doing! Visit our website www.coca.co.za

Neema - COCA

A recent study has shown that 60% of Grade 4 children in South Africa are not able to read basic English, which is causing many of them to fall behind in their other subjects too. 'Gateway into Reading' is a syllabus created by the Neema Foundation. It is designed to help children with foundational reading, developing skills in word recognition and deciphering. Our hope is that through running individual and group tutoring we will be able to help many children grow in confidence and become better equipped for their academic future. COCA runs this course simultaneously in KwaCutshwayo Primary School and Durban Children's Home.

Paradigm Shift - COCA

COCA has partnered with Paradigm Shift to support and educate local entrepreneurs with a four-fold program that includes: business training, mentorship, discipleship, and microloans. In June 2016, we had our first set of graduates from the Module 1 course. Some entrepreneurs saw up to a 300% increase in profit as a result of the program. As we continue to run Paradigm Shift we hope to see many aspiring business men and women in our community empowered to grow their businesses and learn biblical principles for life and work. We would love more entrepreneurs as we continue to run courses into 2017 and the future - as well as facilitators and mentors!

Missionary trips to Lesotho

Many different teams are sent to Lesotho throughout the year for various purposes, such as sharing the Gospel and praying for/with the community, but also to drop off donations such as clothing, food, blankets and school bags. One Heart

International Mission is a Non-Profit Organisation whose members are also members of RED POINT. One Heart exists to actively portray the Body of Christ in the Earth today. It's vision is to feed the hungry, clothe people and make Christ known! One Heart also focuses on constructing new church buildings, acting in dramas that explain who Jesus is and showing the Jesus movie.

RED RIOT

RED RIOT Youth is a group of young people who meet on a Friday night at RED POINT Church. It is a place where high schoolers and young adults gather to worship God, hear His Word preached and grow in relationship with Him, and have a mountain of fun in the process! Come join us from 18.30 till 21.30 every Friday night, and bring your friends!

Soup Kitchen

The Soup Kitchen Ministry has been running since July 2009. This ministry, although on a practical level meets the physical needs of those present each Friday evening at the Escom Road Bus Rank, is at the heart, a ministry aimed at preaching the Gospel. Our desire is to get to the good news out to as many as possible and as often as possible. The ministry that happens is simple but we pray and trust it is effective. The soup served by those who so faithfully prepare it is an incredible bridge over which to deliver the message each week.
